## Happy Easter!!

This week we will continue learning about Easter. We will finish our jelly bean graphs that were started on Friday, paint a picture of a cross using different materials, dye eggs, discuss and observe the differences and similarities between a hard boiled egg and a non hard boiled egg, and work on letter recognition by matching a capital letter with the corresponding lowercase letter.

During Jesus time, we will hear the story of Easter. We will learn a different part of the Easter story beginning with Palm Sunday and finishing with how Jesus rose on Easter morning. We will also be learning some new songs during Jesus time!
