Lots of Learning!

We had another wonderful week in first grade after break! During Jesus time we talked about when Jesus washed the feet of His disciples and the Last Supper. We talked about what a sacrifice it was for Jesus to wash feet. We also learned all about the Lord's Supper and what this sacrament means for us.

This week in Jesus time we will talk more about the week leading to Jesus' death on the cross. We will focus on the fact that He came for each one of us. He made this sacrifice so that each one of us can live forever with Him in heaven one day.

What's happening in first grade?

This week in first grade we will continue to learn many new things! We will be reviewing the many rules we've learned so far this year in phonics. In reading, we will read from our reading books and talk all about disabilities. We'll start a new chapter on addition facts through 20 in math. In science we'll continue learning about energy. In social studies we will start a new unit on changes that are all around us. We will continue reading and writing many different poems in English. We'll end our short week on Thursday.
